

25th Annual Sutton Rodeo Bucking Horse Sale

This sale offering is a group of 5 and 6 year old, ranch raised bucking horses. Every colt is either out of the late great Justin Boots or a son of his. The mothers to these horses go back to either the Cooper band, Mr. T Skoal band and Confused Velvet bloodline of mares. All proven to have great success in the rodeo arena with several NFR qualifiers. The horse industry might not look like it has started an upward trend yet but it will. If you are looking for a new super star or some mares to put into your breeding program with great bloodlines don't miss this sale. This group of horses look apart. Ninety percent of them have never been bucked. We will buck them before we sell them the day of the sale. These big, stout looking colts will be ready to haul and be used this year.

The bulls consigned are 3 and 4 year olds and come from proven cow herds and reputable bull programs. Several top PRCA and PBR bulls have come out of the offerings at this sale.

Sires:

Justin Boots, sire to all of the other studs we used. This is his last colt crop and the last chance to buy some of the older studs we are offering by private treaty. We have had numerous calls on them and are excited to generate this offering. Justin has been a very good producer and we are going to miss his offspring in the rodeo arena.

Wayne's World, a bay stud out of the Cooper bloodline mare Alley Cat. He is a past NFR qualifier; all parents have been to the NFR, as well as his mother's sire, Mr. T. He has been sold to Vern McDonald of Canada.

Royal River, a 9 year old black stocking legged stud. They won the round on him at the NFR the first year he went to Vegas and has won Badland Circuit Horse of the Year the last 2 years. His mother, Big Wild Fun, also went to the NFR. This is the last colt crop out of Royal River. Most of his colts have Justin Boots' markings. He was back at the NFR in December.

Shot Gun, a 12 year old black stud. Shot Gun has stayed home and worked instead of traveling to the rodeos. We hauled him to some of the winter rodeos where he would get his cowboy into the short round. We used him in both the bareback and saddle bronc riding where he was also used in the short round himself. His mother came from the Hauck ranch and was also an NFR qualifier.

Show Time, a 13 year old black-gray stud. Show Time is out of the NFR mare Show Time. Dan Mundorf purchased and hauled her after she went to the NFR her first year as a 3 or a 4 year old. Show Time was one of the late colts born that year thus he could have been out of Red Lizard or Justin Boots. That year we had Red Lizard for the early season then put in Justin Boots. Sparky things he looks like a Lizard colt. We also didn't haul Show Time much because we tend to leave the studs at home. When we did haul him they won a lot of checks on him in the bareback riding. His mother goes back to the Cooper bloodlines.

Checkers, a cowboy favorite, proven sire has several colts that have went on to be great bucking horses. We sold a 6 year old colt at the Benny Binion sale this year at Vegas out of Checkers. He was one of the top 5 selling horses there. Vern McDonald also purchased him and he is up in Canada.
